

# Blessing

Jessica Mauboy

Excuse me I don't wanna be the one  
To lie down to your pride and all of your talk  
Sorry but I gotta catch your tongue  
Before you run your mouth at me

I didn't make this shit up on my own  
I know what is right and I know this is wrong  
You paint it up like diamonds but I won't  
I won't cut my teeth on it.

You think that you know what I like  
How did you get that impression  
Ain't about champagne on ice  
Don't you know I've been a blessing  
For you for you for you  
For you for you for you

You should know that I'm a blessing  
I'm not gonna waste a breath on you  
Shoulda known I was your best thing  
I don't wanna save a prayer for you

You should know that I'm a blessing  
I'm not gonna waste a breath on you  
Shoulda known I was your best thing  
I don't wanna save a prayer for you

You know that I'm a ten and you're a 3  
Your ways are your poison, you're drinking it slowly  
Where would you be without me  
Nothing guaranteed

You think that you know what I like  
How did you get that impression  
Ain't about champagne on ice  
Don't you know I've been a blessing  
For you for you for you  
For you for you for you

You should know that I'm a blessing  
I'm not gonna waste a breath on you  
Shoulda known I was your best thing  
I don't wanna save a prayer for you

You should know that I'm a blessing  
I'm not gonna waste a breath on you  
Shoulda known I was your best thing  
I don't wanna save a prayer for you

Cards are on the table  
Believe it when I say so  
I don't wanna pray for you  
I don't think that I'm able  
To forgive betrayal  
I'm not gonna pray for you  
Cards are on the table  
Believe it when I say so

I don't wanna pray for you  
I don't think that I'm able  
To forgive betrayal  
I'm not gonna prayfor you

You should know that I'm a blessing  
I'm not gonna waste a breath on you  
Shoulda known I was your best thing  
I don't wanna oh no oh no

You should know that I'm a blessing  
I'm not gonna waste a breath on you  
Shoulda known I was your best thing  
I don't wanna save a prayer for you
