When we get emotional (Emotional, emotional)
You close me out and lock the door (Lock the door, lock the door)
I don't have the words to say (No)

If I walk out and I leave (Ooh)

That ain't on me, it's on you (Hey)
I don't wanna tell you what you should do (No, no)
'Cause I just want me and you (Oh, yeah you)
Chillin' on a Sunday afternoon (Yeah, yeah, yeah, Sunday)

But I got all these blessin's to myself (Oh, yeah, yeah)
Yeah, I got all these blessin's to myself (Oh, yeah, yeah)
But I just want me and you (Yeah)
Chillin' on a Sunday afternoon

I forgive you, then you forget (Forget)
You sleepin' even if you didn't make the bed (Make the bed)
I just wanna fix it
But you gon' have to do your part and lift it, oh

I just want your honesty (Ooh)
If I walk out and I leave (Ooh)

That ain't on me, it's on you (Hey, hey)
I don't wanna tell you what you should do
'Cause I just want me and you (Uh, hey)
Chillin' on a Sunday afternoon (Uh-oh)

But I got all these blessin's to myself (Oh, yeah, yeah)
