                       G   C
I'm feeling sexy and free
                        Em   C
Like glitter's raining on me
                       G   C
You like a shot of pure gold
                     Em   C
I think I'm 'bout to explode

        G                         C
I can taste the tension like a cloud of smoke in the air
          Em                                C
Now I'm breathing like I'm running cause you're taking me there
         G    C                 Em   C
Don't you know you spin me out of control

    G                     C
Ohoh Ohoh We can do this all night
                     Em
Damn this club is skin tight
          C
Baby come on
      G               C
Ohoh Ohoh Pull me like a bass drum
             Em
Sparkin' up a rhythm
            C
Baby, come on! Ohoh Ohoh

C         Am
Rock my world into the sunlight
Em           Dsus4
Make this dream the best I've ever known
C         Am
Dirty dancing in the moonlight
Em         Dsus4
Take me down like I'm a domino
C         Am
Every second is a highlight
Em          Dsus4
When we touch don't ever let me go
C         Am
Dirty dancing in the moonlight
Em        Dsus4
Take me down like I'm a domino

G C Em C

                      G    C
You got me losing my mind
                      Em    C
My heart beats out of time
                      G    C
I'm seeing Hollywood stars
                      Em   C
```

You strum me like a guitar

```
