

Let Our Faith Become a Mountain

Jesus Culture

You alone are the healer for the hurting
You alone are the refuge for the broken

So strengthen our hearts and let us not grow weary
Steady our souls and make us brave in the fire

Let our faith become a mountain
That will rise and never fall
Lifted high above the valley
We declare Your kingdom come
We will cling to what You've promised
Till the day You call us home
Let our faith become a mountain we stand on

You alone know the end and the beginning
You alone see a way when hope is fading

So strengthen our hearts and let us not grow weary
Steady our souls and make us brave in the fire

Let our faith become a mountain
That will rise and never fall
Lifted high above the valley
We declare Your kingdom come
We will cling to what You've promised
Till the day You call us home
Let our faith become a mountain we stand on

We will stand unaffected by the chaos
We will stand no matter what the cost
No more worry, no more fear
Every doubt will disappear
We will stand unaffected by the chaos
We will stand no matter what the cost
No more worry, no more fear
Every doubt will disappear
Disappear

Let our faith become a mountain
That will rise and never fall
Lifted high above the valley
We declare Your kingdom come
We will cling to what You've promised
Till the day You call us home
Let our faith become a mountain
That will rise and never fall
Lifted high above the valley
We declare Your kingdom come
We will cling to what You've promised
Till the day You call us home
Let our faith become a mountain we stand on

Let our faith arise
Let our faith arise
Strengthen our faith in You
