

# Trust Me

Jesus Jones

(trust me... i know what i'm doing!)  
from day one i got things wrong  
one day i'll get things right (MAYBE)  
i never thought i knew the answers  
while the whole world thinks they might  
big headed, wrong-headed  
anything under the sun  
i'm really no-one  
trust me  
trust me  
trust me  
you were pushed away you were lead astray  
you were dragged up the garden path  
i made damn sure that i never (EVER)  
did things by half  
trust me  
trust me  
trust me  
(... i know what i'm doing!)  
trust me  
trust me  
trust me  
trust me  
trust me  
trust me  
trust me  
trust me  
trust me  
trust me  
(trust me... i know what i'm doing!)
