

I Won't Let Go

Jet Black Stare

Torn by the words I should tell her
I feel she's slipping away
I can't deny all the feelings inside
And I hope she feels the same way

'Cause I won't let go
And I won't say goodbye
Tell me you wanna try
Tell me you'll stay tonight
All in time
Don't you say goodbye

Fight for the reasons that I stay
Fight for the reasons to change
I can move on but I keep moving on
And I need her to feel the same way

'Cause I won't let go
And I won't say goodbye
Tell me you wanna try
Tell me you'll stay tonight
All in time
Don't you say goodbye

'Cause I won't let go
And I won't say goodbye
Tell me you wanna try
Tell me you'll stay tonight
All in time
In time

'Cause I won't let go
And I won't say goodbye
Tell me you wanna try
Tell me you'll stay tonight
All in time
Don't you say goodbye

I won't say goodbye
Don't you say goodbye
