

# Born Tired

Jhené Aiko

I'm sleepy  
Aah, aah

Three deep breaths  
Ten steps backwards  
Going backwards  
Now I'm switchin' lanes  
Tire marks  
On my heart  
It don't beat the same, no

Rest your weary heart  
Dry your teary eyes  
I know you are scarred  
And torn apart inside  
Darlin', darlin', so am I, okay

'Cause, baby, I was born tired  
Getting more tired  
As time passes me by, yeah  
I'ma need more fire  
Way, way more fire  
So pass that thing my way

La-da-da-ah  
Ha-ha-ha  
Ha-ha-ha, yeah

It's been a long night  
Long life, long time fighting  
Let out a long sigh  
Alright, why am I trying?  
'Cause look at how far you have come

And look at all that you have going  
Look at who have become  
Baby, you gotta keep going

Ooh, rest your weary heart  
Dry your teary eyes  
I know you are scarred  
And torn apart inside  
Inside, inside, inside  
Darlin', so am I, so am I

Baby, I was born tired  
Getting more tired  
As time passes me by  
I'ma need more fire  
Way, way more fire  
So pass that thing my way

Ayy, I'm tired, but I'm fired up  
Tired, but I'm fired up  
Tired, but I'm fired up  
Tired, but I'm fired up  
La-da-da-ah (Da-da-da)

Ha-ha-ha (Ha-ha-ha)  
Ha-ha-ha (Ha-ha-ha-ha)
