

Comfort Inn Ending

Jhené Aiko

[Verse 1]

One, two, one two...
Thought I told you not to trust these hoes
Say they love you, and you know they don't
Say they will, but shit, you know they won't
Yeah, you hear me, but you don't feel me, though
And you are not the only one...
You are not the only one...
You are not the only one...
You are not the only one...
Okay, fuck it, it was dumb when they dated
David, Brayden, all of them did the same to you
Marquis and Sean and Bryan
All of them had they way with you
Ever so often you get lost and miss out on everything
Shout-out to Crissy
That's my bitch 'cause she tells me everything
And I was not the only one
I was not the only one to you...
So I was the only lonely one...
Baby, we had the perfect end...
That night we shared at the Comfort Inn...
We made love like the world would have ended...
If either of us hadn't made it...
We were in love...
But I was the only one...
So I was the only lonely one...
