Okay, fuck it, it was dumb when they dated David, Brayden, all of them did the same to you Marquis and Sean and Bryan All of them had they way with you Ever so often you get lost and miss out on everything Shout-out to Crissy That's my bitch 'cause she tells me everything And I was not the only one I was not the only one to you... So I was the only lonely one... Baby, we had the perfect end... That night we shared at the Comfort Inn... We made love like the world would have ended... If either of us hadn't made it... We were in love... But I was the only one... So I was the only lonely one...
