

Magic Hour

Jhené Aiko

Ready for a miracle, I'll
Chill until the sun sets
Waiting for the magic hour
It ain't perfect, but everything's beautiful here
It ain't perfect, but everything's beautiful
It ain't perfect, but everything's beautiful
It ain't perfect, but everything's beautiful
It ain't perfect, no

It was windy in the city
So pretty that night
I swear I tried to stick by you
But time blew me by
It is like you swept me off my feet
And tied me to shore
Somehow my anchor turned stranger
Can't take anymore

Ready for a (Ready for a), miracle, I'll (Miracle, I'll)
Chill until the (Chill until the), sun sets
I'm ready for the (Ready for the), magic hour
It ain't perfect, but everything's beautiful now
It ain't perfect, but everything's beautiful
It ain't perfect, but everything's beautiful
It ain't perfect, but everything's beautiful
It ain't perfect, but everything's beautiful, beautiful now

Maybe I'm a miracle
Waiting for the miracle
Maybe you're the
Maybe you're the miracle
Maybe you're the
Maybe you're the miracle
Waiting for a
Waiting for a miracle
Waiting for a
Waiting for the
Waiting for the miracle
Waiting 'til the (Maybe you're the)
In the Magic hour
