

Overstimulated

Jhené Aiko

Is this thing on?
Reverse effect
Mm hm hm hm
Yeah, yeah, oh

Don't get it wrong, don't get it twisted
Don't mix it up, gotta get lifted
You know I'm young, you know I'm gifted
I'm on a roll, I'm on a mission, yeah

But I need your light, I need your light
I need your guidance, yeah
Already high, I'll be alright, I wanna try it

Crushing the line, cutting the line, crossing the line, bumps in the night
Got me, got me over here overstimulated
Crushing the line, cutting the line, crossing the line, bumps in the night
Got me, got me over here over

Why you never stay for long?
You always go so fast
Who's gonna hold my hand when I'm crashing?
Took it without looking, now I'm looking up the side effects
Feel like there a fire set
That I should be dying next, my regrets (my regrets, my regrets)
Yeah, oh my regrets (oh my regrets)

Over here overstimulated
I need your light, I need your light, I need your guidance
Anything twice, I'll be alright, I wanna try it

Aren't you the sweetest thing?
I almost can't believe why you still sleeping on me
That's okay you can keep dreaming

I am alone, I am a misfit
I'm in zone, no competition

I am the one, so you should listen
Don't f*ck it up, don't wanna miss it

Yeah, yeah
I am the light, I am the light, I am the highest, yes
You have me fried, and I am the light and I am the lightest
Crushing the line, cutting the line, crossing the line, bumps in the night
Got me, got me over here, over
Why you never stay for long? You always go so fast
Who's gonna hold my hand when I'm crashing
Took it without looking now, I'm looking up the side effects
Feel like there a fire set
That I should be dying next, my regrets (my regrets, my regrets)
Oh my regrets (oh my regrets)

Over here, overstimulated
Let's get one thing clear bitch: I am the greatest
You are not my peer, you are overrated
Know you mad I made it, know you hate it

But I'm in this bitch like

And if my heart goes out right now
This goes out to you, you, you
And if my heart goes out right now
This goes out to you, you, oh

What the f*ck did you give me?
Oh, no no, chill chill
Huh?

Are you okay?
Did you see that?
What are you talking about?
Oh my God
Relax, relax
Ah

Get me out of here
Why would you do this to me?
Someone give her some water
