

## Pray for You

Jhené Aiko

The feelings have been mutual  
I'm ready to let you know  
Don't wanna see you no more  
I'm ready to let this go

But never will I ever not wish you well  
Though we're not together, God bless you still  
It's gonna get better, I know it will  
Just hope you know, I still

I'll pray for you, I'll pray for you  
I'll pray for you, I'll pray for you

I pray you find your confidence  
Pray you find a confidant, pray you get everything that you want

Pray you get everything that I could not give to you  
I know that it may seem weird to you, but

But never will I ever not wish you well  
Though we're not together, God bless you still  
It's gonna get better, I know it will  
Just hope you know, I still

I'll pray for you, I'll pray for you  
I'll pray for you, I'll pray for you

I'll pray
