

Speak

Jhené Aiko

Yeah, yeah, yeah
Yeah, yeah, yeah, ooh, ooh, ahh

Woke up this morning
Heart was beating out my chest
So excited, realizing
That you weren't here to judge me
No one to impress
I decided that I liked it, yeah

I'm moving on
I'm putting on my favorite dress
The one you hated
Said, I look naked in
That's your opinion 'bout it
I'm feeling my best
I won't hide it
And besides that

Look how the sun
Rises without our asking
Shining with so much passion
Light just for us to bask in
Love shouldn't be for our keeping
I'll celebrate my freedom
I'm gon' speak up

Speak from my heart, baby
Speak from my soul, sugar
Say what you want, lady
Act like you know who you are
Speak from your gut, honey
Say what you want, my love
Be who you wanna be
Speak, speak, speak, speak
Be free

I'm moving on
I'm putting on my favorite dress
The one you hated
Said I look naked in

Free, yeah
Be free my love
Be free
Free
Free

I'm moving on I'm
Free
I'm moving on I'm putting on my free
I'm moving on I'm putting on my free
I'm moving on I'm putting on my free
I'm moving on I'm putting on my free
Free
