

And it feels like sometimes I cry  
'Cause I feel so good to be alive  
And there's not a doubt inside my mind  
That you're still here, right here by my side  
Take some rain with my sunshine  
Take some rain with my sunshine  
I'll take some rain with my sunshine  
Take it easy, simple, like summertime

I cannot let go ten thousand memories  
I've been missin' you for ten thousand hours  
I cannot let go, I cannot let go  
I cannot let go, I cannot
