

# Trip

Jhené Aiko

On nights like this, I ride  
Turn the music up to keep from crying  
Wait 'til that sunshine  
Please don't let the darkness keep me low  
Halfway to the home base, yeah  
Like a field trip, woah  
It's a real trip

In over your head, it's a guilt trip, yeah  
To the south side, wow  
It's a real trip  
It's not a quick trip  
It's stay with ya, with ya  
Love tax aside  
It's a real trip

Halfway to the home base, yeah

Who can save me?  
You can't, baby  
You can't, baby  
Who can save me?  
Know that you can, baby  
You could, baby  
We'll be ridin' tryna conquer the world, but darlin'  
You can't change it  
You can't change it  
Ridin', all you know that you can't last  
They askin', "Who can save me?"  
Who can save me?  
Who can save me?  
Know that you can, baby  
Know that you can  
Na-na-na-na  
Love pays, yeah  
But love taxes, oh  
It's a real trip
