

Summertime, Wintertime

Jigsaw

Long days when summer nights were warm
We'd walk down Sandy Lane
We'd never bother 'bout the storm
We'd just get soaked again
And I, I'd give you my coat to wear
And you would laugh
To see the state of my hair

Short days and winter's freezing nights
Couldn't keep us at home
We'd go out having snowball fights
I'd dodge the ones you'd thrown at me
And you'd get mad and you'd stomp your feet
And I would say
Ooh, it made you look sweet

Summertime, wintertime
Summertime, wintertime
Summertime, wintertime
Summertime, wintertime
