

A Dream Is A Wish Your Heart Makes

Jim Brickman

A dream is a wish your heart makes
When you're fast asleep
In dreams you lose your heartaches
Whatever you wish for you keep
Have faith in your dreams and someday
Your rainbow will come smiling through
No matter how your heart is grieving if you keep on believing
The dream that you wish will come true
A dream is a wish your heart makes
When you're feeling small, yeah
Alone in the night you whisper
Thinking no one can hear you at all
You wake with the morning sunlight
To find fortune that is smiling on you
Don't let your heart be filled with sorrow, for all you know to
morrow
The dream that you wish will come true, yeah
A dream is a wish your heart makes
When you're fast asleep
You will lose your heartaches
Whatever you wish for you keep
You wake with the morning sunlight
To find fortune that is smiling on you
Don't let your heart be filled with sorrow for all you know tom
orrow
The dream that you wish will come true
No matter how your heart is grieving if you keep on believing
The dream that you wish will come true
Yeah, come true
