

Making My Way to You

Jim Cuddy

I walked for hours
couldn't work it through
sun found me fading to blue.
And I know what you tell me
won't always be true
as I'm making my way to you.
Can't see the reason
can't really say
why I hold you then I push you away.
As I'm watching the face of eternity changing
I'm making my way to you.

There was a time in my life
when everything seemed new.
No point in changing or rearranging
anything I do.
But now I'm spinning out in all directions at once.
It's true.

Oh help me darling
help me please
I'm sinking down to my knees.
And I've tried everything
but you're so hard to please
as I'm making my way to you.

There was a time in my life
when everything seemed new.
So many magic hours
hanging out with nothing to do.
But now I'm spinning out in all directions at once.
It's true.

I watch myself floating
down the river wide
all my friends on the other side.
And I'm trying to call out

but I can't find the words.
I'm thinking back on legends
and stories I've heard.
I think I'm getting closer
but I'm really not sure
as I'm making my way to you
as I'm making my way to you.
