It's getting to the point
Where I can't hang around no more
It's getting to the point
Where really have to open up the door

Times are changing You better use your sense Use what you've got From coincidence Hear me now!

Sooner or later you gonna have to stand up tall Sooner or later when your backs against that wall Sooner or later you'll have to be the one you are And you just might find that you're out of time And it's just too late

Hear me now!

Heavy burden gets you down And pressure is all around Sit around and hesitate Say you're waiting for a lucky break

Life's for living
Better use your sense
Use what you've got
From coincidence
Hear me now!
