

Never Is A Long, Long Day

Jimmy Dean

Six foot six stood on the ground weighed two hundred and thirty
five pounds
But I saw that giant of a man brought down to his knees by love
He was a kind of man that would gamble on luck
Look you in the eye and never back up
But I saw him cryin' like a little whipped pup because of love
Can't see it with your eyes hold it in your hand but like the wind
that covers our land
Strong enough to rule the heart of any man this thing called love
It can lift you up it can let you down take your world turn it
all around
Ever since time nothing's ever been found stronger than love
[guitar]
Most men are like me they struggle in doubt
Trouble their minds day in and day out
Too busy of livin' to worry about a thing called love
But when I see a mother's tenderness as she holds her young close
to her brest
Than I thank God that this world's been blessed with a thing called love
Can't see it with your eyes...
