

Someday

Jimmy Dean

I know that someday you'll want me to want you
When I'm in love with somebody else
You expect me to be true and keep on loving you
Though I am feeling blue you think I can't forget you
Until someday you'll want me to want you when I am strong for s
omebody new
Although you don't want me now I'll get along somehow
And then I won't no I won't want you
[trumpet]
Until someday you'll want me...
No I won't no I won't want you
