

Baby I've Got It

Jimmy Ruffin

Baby, I've got it
Love got me, baby

You know my friends all told me one day I would fall
And love got me, got me, baby
I wouldn't believe it, huh, I laughed at them all
And love got me, yeah, baby

I told myself it wouldn't happen to me
You showed me, baby, how sweet love could be

You came, you saw, I fell
Oh girl, I know darn well
Baby, I've got it
I've got love, so badly

I said love used to be just a silly old dream
And love got me, got me, baby
Now people in love seemed foolish to me
And love got me, yeah, baby

I never thought I'd find a girl like you

I must admit it's funny but it's true

You came, you saw, I fell
Oh girl, I know darn well
Baby, I've got it
I've got love, so badly
Yes, I have

And I've got it, got it

Now my friends all laugh at me and they say
That love got me, got me, baby
You know it hit me like a ton of bricks one day
When love got me, yeah, baby

How was I to know I would finally meet her
Every day of my life is just a little bit sweeter
Love's got me, sweet love
Baby, I've got it
Do you have it?
Alright
Sweet love
Ooh baby
Sweet love
Feel alright
