

# Don't Feel Sorry for Me

Jimmy Ruffin

Hey baby  
If you should see me  
Oh, baby, out in a crowd  
Then I shall break down, like a baby  
Crying out loud  
Oh no baby, no no my baby  
Don't feel sorry for me  
I'm gonna be alright

You go your way and let me be  
I gotta feelin' somethin' good, hey baby  
Gonna happen to me  
I'll find a girl somewhere, so baby baby  
I don't care, but don't feel sorry for me  
Oh baby, yeah

As you came by the lord, we played

I didn't know why the lord  
But I was sure soon to realize, why  
Because I, I had been blind  
By your little lie  
And now, there are tears in my eyes, oh  
So you go your way, and I'll go mine  
Leavin' my pillow, sometime baby  
Salty and cry, you keep me cryin'  
Oh no no baby, no no my baby  
Don't feel sorry for me, oh  
Me

Oh no baby, no no no no baby  
Don't feel sorry for me  
Oh, sorry for me  
Oh no baby
