

How Can I Say I'm Sorry

Jimmy Ruffin

Ooh, I want you back (I want you back)
Can't go on this way
I need you, baby
What more can I say?
I realize the wrong I've done
The things I did were because I was young
Now, how can I say I'm sorry, my dear?
How can I say I'm sorry, my dear? Please

I remember that night
Where you said you love me
I know you meant every word
But it didn't mean a thing to me
I realize the wrong I've done
The things I did were because I was young
Now, how can I say I'm sorry, my dear?
How can I say I'm sorry, my dear?

Now you're the judge and the jury (Judge and the jury)
My life is in your hands
But before you pass judgments
Understand I'm only a man
I realize the wrong I've done
The things I did were because I was young
Now, how can I say I'm sorry, my dear?
How can I say I'm sorry, my dear?

(How can I, say that I'm sorry?)
I said life is so sad, and I love you, baby
Mmm, I really really need you, baby
How can I, say that I'm sorry, baby?
