My Heart Is In Your Hands

Jimmy Somerville

```
I always thought that you
 would always be around
Now you've gone and changed your mind
And you told me there is much
That you must see and do
But no matter where we are
I'll always think of you

My heart is in your hands
Don't you throw my heart awal

Such a fool was I to think of love as forever,
even more a fool
That I could believe and accepting truth
That hurts Is always hard to do
The selfish things I did
Where never meant
To hurt you

My heart is in your hands
Don't you throw my heart away

I always thought that you would always be around
Now you've gone and changed your mind
The places little things each day
Reminds me of you
Forever in my mind
The words that said
We were throught

My heart is in your hands
```
