

# You Were My Home

JJAMZ

When you left I was broken  
Couldn't see them?  
How I could go on  
With my life

Now the cycle continues  
I'm the one with secrets  
Cover in your lies every time  
Dying inside

You'll be back  
I should've known  
We for off the track  
Now I'm alone  
You were my home

Now my world is on fire  
Hello carpet circle  
Undress in the days  
And I know

And this content in the good ways  
Breaking parts, approaching  
Neighborhoods and blaze  
On the glow  
When will it glow

You'll be back  
I should've known  
We for off the track  
Now I'm alone  
You were my home

Now I'm alone  
Just take me home

Looking for some  
Want to distract  
Me from my mission, my life  
I can't go on  
I know what I've done  
Just let this begun  
Don't care if I won  
I'm just not like you guys  
I can't live this with this scar  
Let this begun  
Let this be done

You'll be back  
I should've known  
We for off the track  
Now I'm alone  
You were my home

You'll be back  
I should've known  
We for off the track

Now I'm alone  
You were my home

Just leave me alone  
Just leave me alone  
Oh oh oh
