

# You Got My Love

JLS

You got my love, yeah  
You got my love

Some would say love's difficult  
Some would say unfair  
You know the crazy life I lead  
Doesn't always mean I couldn't be there  
Doing the things that we do  
Just the every day affairs  
Girl just hold on tight  
On this coastal ride  
Believe me when I tell you that I care

Girl, you got, you got the best of me  
My love is always gonna be yours  
Don't go flipping out on me  
You should know that nothings gonna change

Cause I knew the first time I saw ya  
That something was taking me higher  
Gotta tell ya over and over  
You got my love, yeah  
You got my love  
I know we get a little crazy  
Nothing could ever touch us baby  
I'll be doing you right  
You got my love, yeah  
You got my love

Don't know why your feeling blue  
You said you'd understand  
You know I do it all for you  
So whys this conversation getting out of hand, girl

You got, you got the best of me  
My love, is always gonna be yours  
Don't go flipping out on me  
You should know that nothings gonna change

Oh  
You got my love  
You got my love  
My love, my love  
Oh you got my

So baby, sincerely  
I swear I never break your heart  
Cause without you  
I'm empty  
And I'm left with the memory  
So let me show you how good this love can be

Girl, you got my love  
You got my love  
Girl, you got my love  
You made me believe  
Baby

Cause I knew the first time I saw ya  
That something was taking me higher  
Gotta tell you over and over  
You got my-my-my-my-my-my-my-my-my
