

# Closer

Jo Dee Messina

I love the way you look at me  
Can't you see  
You're the only one that I could ever need?  
Can't you feel how much  
How much I wanna get  
Maybe just a little, just a little bit

Closer  
Closer than anything  
Don't you wanna be?  
Closer  
Til there's nothing in between  
You and me

I gotta make a secret confession  
All I really want is all your affection  
Get a little crazy every time we touch  
Close as we are, we could get so much

Closer  
Closer than anything  
Don't you wanna be?  
Closer  
Til there's nothing in between  
You and me

Baby don't you wanna get  
Maybe just a little bit  
Look into my eyes  
Just get hypnotized  
One little magic kiss  
We could always feel like this  
Come on over here and get  
Closer

Closer  
Closer than anything  
Don't you wanna be?  
Closer  
Til there's nothing in between  
You and me

Baby don't you wanna get  
Maybe just a little  
One little magic kiss  
Look into my eyes  
Just get hypnotized  
Come on over here
