

# Gotcha

Joan Jett and the Blackhearts

You ran around like a hotshot  
It was a matter of time  
I always said I would get ya  
And sooner or later I'd make you mine

Stop playin' this game with me  
You know it drives me insane  
You know you're just what I needed  
I couldn't wait to take you away

Gotcha, where I want ya  
Gotcha, yeah it's so true  
Gotcha, where I want ya  
I... I... g-g-g-gotcha, g-g-g-gotcha

Our love could be dangerous  
It makes me tremble inside  
I'm gettin' tired of chasin' you  
Baby you can run but you can't hide

Gotcha, where I want ya  
Gotcha, yeah, by the jewels  
Gotcha, where I want ya  
I... I... g-g-g-gotcha, g-g-g-gotcha

I got you but you don't know it  
I got you but you don't know it  
I... I... g-g-g-gotcha  
I... I... g-g-g-gotcha, g-g-g-gotcha, g-g-g-gotcha
