

Spinster

Joan Jett and the Blackhearts

Maybe I don't wanna maybe I don't wanna, wanna
Maybe I don't wanna fuck you!

I'm a spinster, I don't need no rules
I don't got no one tellin' me what to do
Tellin' me what's cool? I'm no stupid fool

Hey teen ageist I'm not over yet
Y-O-U-T-H only, baby, that's your math
I'm a spinster, I don't need your rules
I'm resisting, I don't need no one to
Tell me what's cool or how I need a tool
To get thru to you

I'm no one's wife and' I'm not your little girl
Don't tell me I'm useless cuz I want
More from this world

Maybe I don't wanna maybe I don't wanna, wanna
Maybe I don't wanna maybe I don't wanna
Maybe I don't wanna maybe I don't wanna, wanna
Maybe she don't wanna fuck you!
Hey ever think of that?
