

## Little Bit of Love

Joe Cocker

I believe if you give a little bit of love  
To those you live with  
A little bit of love, oh  
Has gotta come your way

Well, in my mind  
It's easy to lose sight of the truth  
But in my heart I can't deny  
My feeling inside

'Cause I believe if you give a little bit of love  
To those you live with  
A little bit of love  
Has gotta come your way

Man in the sky you say you're flying  
To lose sight of the world  
You wanna stay high  
Then don't deny your feeling inside

'Cause I believe  
If you give a little bit of love  
To those you live with  
A little bit of love, oh babe  
Has gotta come your way

I believe if you give a little bit of love  
To those you live with  
A little bit of love, oh  
Has gotta come your way

I believe if you give a little bit of love  
To those you live with  
A little bit of love  
Has gotta come your way
