

Paper Heart

Joe Dassin

You got a paper heart
You're in a cardboard world.
Baby, your paper heart
Makes you a nowhere girl

Paper heart, paper heart

Each day the wind that blows
Changes the way you feel.
You got a paper heart,
Baby, you're so unreal

Paper heart, paper heart

You laugh when I cry,
You dance when I'm blue
So baby good-bye,
This time went through

One day you'll play with fire
And burn 'ere your paper heart,
Leavin' me only ashes,
Ashes of your paper heart.

Paper heart, paper heart
