

## At the Station

Joe Walsh

I was standin' at the station  
Out at the end of the line  
Feelin' mad, just a bit impatient  
And I wish that you would make up my mind  
Yes I was out there on the platform  
Pay phone keeps eatin' my dimes  
And I still don't have an answer  
And the train's leavin' right on time  
I'm fallin' down

I'm fallin' down  
Standin' at the station  
Won the battle  
Here I am, standin' at the station  
Like a gen'ral just relieved of command  
I'm fallin' down  
I'm fallin' down
