

## All Mine

Joel Faviere

I got stuck waiting for you,  
You broke into my heart just to break it in two,  
You never comprehend what you do,  
You say you understand but you don't have a clue,  
And I don't don't don't don't don't,  
Wanna fall apart,  
Consents of your heart,  
Cause you used to be all mine,  
You used to be all mine,  
You used to be all mine,  
You used to be all mine,  
You used to be all mine,

I can never lie,  
No no,  
Wish it was the same for you,  
Throw it down the drain,  
Here comes all the bad luck,  
With a little bit of love & lust,  
Throw it all away,  
Its not the same,  
Its not the same,  
Its what they say,  
Oh its what they say,  
Oh its all a game,  
Its all a game,  
See all of you have changed,  
Yea you have changed,  
And I don't don't don't don't don't,  
Wanna fall apart,  
Consents of your heart,  
Cause you used to be all mine,  
You used to be all mine,  
You used to be all mine,  
You used to be all mine,  
You used to be all mine,  
Well where did the words go,  
Where did the words go,  
When you needed me most,  
Needed me most,  
Well where did the words go,  
Where did the words go,  
When you needed me most,  
Needed me most.
