

Bad Reputation

Joel Faviere

You You You took a part of me you took a part of me
You I knew you'd take up all of me with no apologies.
You cant out run a bad reputation a bad reputation,
If I were you I'd quit while I'm ahead
"I think I'm the shit"

Well without your friends your nothing short of irreverent
And I use to know just what to say to you,
Not any more more more
And four letter words aren't a game for two
No not four four four
Now don't dig a deeper hole for yourself
Oh and I use to know just what to say to you
Not any (not any) more not any more

I didn't mind oh
All the push and shove
All the push and shove
Cause I've got my own mind
and I can't feel a thing I can't feel a thing anymore

You You You took a part of me you took a part of me
You I knew you'd take up all of me with no apologies.
Well without your friends your nothing short of irreverent
And I use to know just what to say to you,
Not any more more more
And four letter words aren't a game for two
No not four four four
Now don't dig a deeper hole for yourself
Oh And I use to know just what to say to you
Not any (not any) more not any more
I didn't mind oh

You You You took a part of me you took a part of me
You I knew you'd take up all of me with no apologies.
Who thought you'd thought of me?
