

# Be My Heart I Lack

Joel Faviere

Won't you come and kiss me on back?  
Be my heart I lack

(Ahh..)

Be my heart I lack  
Be my heart I lack

Buttons popped in the summer  
Wear you smile, when's what I wonder  
Oh, won't you like thunder?  
Like thunder

Oh, won't you like thunder?  
Come under  
Oh, won't you like thunder?

Buttons popped in the summer  
Wear your red dress, like a sunburn  
You gotta go to class, it's a bummer  
Yeah, it's a bummer

Won't you come and kiss me on back?  
Be my heart I lack  
Won't you come and kiss me on back?  
Be my heart I lack

Mother, I don't even know if I love her  
Cherry lip balm with another  
Like thunder

Hey, why ya up so late?  
It's a Monday  
We know Sunday was a sin, more than one way  
Did your love-drunk prick hit the runway?

Honey, if ya ain't lyin', let me look  
Inside of your diamond  
I know, the world's kinda shiny  
And I might, might be too shy, quiet

Why are you cryin'?  
Ooh  
Cryin', cryin'

Won't you come and kiss me on back?  
(Come on, come on)  
Be my heart I lack  
Won't you come and kiss me on back?  
(Come on, come on)  
Be my heart I lack  
Won't you come and kiss me on back?  
(Come on, come on)  
Be my heart I lack  
Won't you come and kiss me on back?  
Be my heart I lack

Why are you cryin'?

Ooh...
