

Best of Me

Joel Faviere

I hope it all sinks in when you think of me
Now let these tears cry out like a symphony
They say some words are better left unsaid but
But I think
I'm falling down
I'm falling down
Just help me, now.

I, don't know what to say
I guess you got the best of me
I, don't know who I am
Who am I?
Who am I?
I, don't know what to say
I guess you got the best of me
I, don't know who I am
Who am I?
Who am I?

I let my wings spread out
And I fly away
(Nowhere to go
Nowhere to go)
Setting my dreams so high
That I fade away
(Keep looking up
Keep looking up
Keep looking...)
No secret formula
For fixing ones your love
I sit up here
Thinking about
How I lost
All my trust
And everyone is staring...
I'm so embarrassed...
Let this all fall down...

I, don't know what to say
I guess you got the best of me
I, don't know who I am
Who am I?
Who am I?
I, don't know what to say
I guess you got the best of me
I, don't know who I am
Who am I?
Who am I?

Bring me to the bottom of the bottle
Make me feel so strong...
Everybody tell me that I'm taking way too long
I don't know...
Bring me to the bottom of the bottle
Make me feel so strong...
Everybody tell me that I'm taking way to long...
I don't know...

I don't know what to say.
I guess you got the best of me.
I don't know who I am.
