

# Cat Eyed Glasses

Joel Faviere

Uh, uh, ready? Go...  
[Giggles]

Shh...

Cat eyed glasses  
looking like magic  
Extravagant, dramatic  
May I take the one in plastic?  
Tipsy and tragic.  
Make out in the attic  
arachnid has-beens  
Losers & faggots

Such a pretty outcast  
Just leave me alone.  
... never mind.

Why did you go?  
Why did you go?

Princess you're dope.

I'm alo-o-o-one (yeah!)  
I'm alo-o, I'm alo-o-o-one (oh!)  
I'm alo-o, I'm alo-o-o-one (yeah!)  
I'm alo-o, I'm alo-o-o-one (oh!)  
I'm alo-o, I'm alo-o-o-one...

The basement pageant  
Make this happen  
Got the medicine  
to keep me happy from the havoc.  
Silver  
Ashes  
3rd times a hat-trick  
Cyndi Lauper lap-dance  
Happy like a fat kid

(Ah, ah)

Fickle like cold flashes  
Cold like aspen  
and questions I've been askin  
Threw your tears  
on thick rimmed glasses.  
Tipsy and tragic.  
Make out in the attic  
arachnid has beens  
Sex & static.

Such a pretty outcast...  
Just leave me alone  
...never mind

Why did you go  
why did you go?

Princess, you're dope

I'm alo-o-o-one (oh!)

I'm alo-o, I'm alo-o-o-one (oh!)
