

Do This to Me

Joel Faviere

The things you keep, cut right through me
I'm workin' too damn hard just to hurt at the end of everyday
Magical love, come back, we could do it all again
Give me that dull pain, so I can feel the light of day

Do it to me, do this to me
Do it to me, do it to me
Do it to me

I'm spiraling inside negativity
But once you smile at me, all these wounds will go away
Well, love ain't a choice, it was pullin' me in
And I hate myself enough just to turn another cheek

It's a beautiful thing, it's a beautiful thing
It's a beautiful thing, it's a beautiful thing

Do it to me
Do it to me, do it to me

I'm spiraling inside negativity
But once you smile at me, these wounds will go away
Cause love ain't a choice, it was pullin' me in
Give me that dull pain, so I can see a better place

Do it to me, do this to me
Do it to me, do it to me
Do it to me...
