

# Keep It Down

Joel Faviere

Don't you ever let me go  
Don't you ever let me go-o  
Go-o, go-o  
Don't you ever, ever let me go-o  
Go-o, go  
We're pretty dangerous, but it's okay with us  
Listen carefully, I used to never care for love  
So be careful, love  
People are terrible  
It tears me up  
When you think you're not enough  
Critics can say a lot  
A lot to say to you  
With every note you sing, they leave another-nother bruise  
It's awful, but it's true  
But they can't keep their eyes..Off..You  
Shit, neither can I...  
I don't wanna keep it down  
Cause they say, "actions are the best way out,"  
Can ya lean your level to the light that shines?  
Kiss me from behind, dirty up your dirty lie-ies  
Don't you ever let me go  
Don't you ever let me go-o, go-o  
Go-o  
If you want it bad, baby, let me know-ow  
Know-ow  
Oh, wah, oh  
Ahh, ahh, ahh  
Oh, woah, let me know  
Ah, ha  
Ahh  
Ah, hoah, let me know  
Let's go (let me know)  
Let's go (let me know)  
Let's go (let me know, oh)  
Let's go, come on  
Your voice is fillin' up my ears, again  
Heavier than antique porcelain  
Nothing is the most, die young  
We were enemies, but learned to love and let the games begin  
Lay on my body, like a turner kit  
Don't say a word, until I tighten it  
Lips are just a thrill to kiss  
And we both know that Hollywood would kill for this...  
I don't wanna keep it down  
Cause they say, "actions are the best way out,"  
Can ya lean your level to the light that shines?  
Kiss me from behind, dirty up your dirty lie-ies  
Don't you ever let me go  
Don't you ever let me go-o, go-o  
Go-o  
If you want it bad, baby, let me know-ow  
Know-ow  
Oh, wah, oh  
Ahh, ahh  
Ahh, oh, woah  
Let me know

Ah, ha  
Ahh  
Ah, hoah, let me know  
(Da da da da da da da, da da da da da da, da da da da...)  
Let's go (let me know)  
Let's go (let me know)  
Let's go (let me know)  
Let's go, come on...
