

Running In Place

Joel Faviere

Oh this morning just ain't worth it.
My head is poundin' heart is hurtin'
Oh this morning just ain't worth it (no)
Left me for dead, my heart stopped workin'.
(my heart stopped workin')
Oooh

Oh this morning just ain't worth it (no)
Am I the only one thats awake thinkin?
(runnin' in place)
Oh this morning just ain't worth it
(someone give ma sign)
Tell me you're awake and you're thinkin' (no)

No I can't be, oh I can't be the only one thats thinkin'
no I can't be, oh I can't be the only one thats thinkin'
The only one thats thinkin'
The only one thats thinkin'

I know your heart is sinkin'
The only one thats thinkin'
