

Wonder

Joel Faviere

Why do I wake up?
Why won't I slow down?
This time is tickin' out
Faster than the sound, close

Simple as the beat
Rocking under sheets
Damn, you what I need
All the things that I would do if you came after me

I always wonder what you're keepin'
Beneath your pretty hair
Cause you got all of me
It's us against the world, us against the world

Us, us, us
(Uh)
Us against the world
Us, us, us
(Uh)
Us against the world, the world...

I just tell myself,
"Boy, don't you look down?"
The world's spinnin' around
Faster than the sound, close

Ooh, why
Do I
Feel the weight of time
Beneath the blinds of mind?

I always wonder what you're keepin'
Beneath your pretty hair
Cause you got all of me
It's us against the world, us against the world

Us, us, us
(Uh)
Us against the world
Us, us, us
(Uh)
Us against the world, the world

It's us against the world

Us, us, us
(Uh)
Us, us, us
(Uh)
Us against the world

Us, us, us
(Uh)
Us against the world
Us, us, us
(Uh)

Us against the world...
