All The People Are Talkin'

John Anderson

All of the people are talkin'
They're talkin' 'bout sweet little you
They say you don't know the meaning of love
And you don't know how to be true

Yeah, all of the people keep on talkin'
When I heard it my face turned red
But I love you so much, I want you to know
I ain't believing what the people said

They said you were easy, yeah easy to win
They say that when I take you home at 9: 30
Somebody picks you up at 10

Yeah, all of the people keep on talkin'
But that's just a big game they play
And I love you so much I want you to know
I ain't believing what the people say

All of the people are talkin'
A-talkin' 'bout things you've done
But let 'em talk, talk and keep on talkin'
'Cause talk never hurt no one

Yeah, just let the people keep on talkin'
But they'll never get it through my head
And I love you so much, I want you to know
I ain't believing what the people said

They said you were laughin' and puttin' me down
They said that you been showin' all of my love letters
To everybody in town

Yeah, all of the people keep on talkin'
But that's just a big game they play
And I love you so much, I want you to know
I ain't believing what the people say
No no, I ain't believing what the people say
They can keep talkin', I ain't believin' what the people say
