

# Long Hard Lesson Learned

John Anderson

A one way ticket is all we need  
No return, no guarantee  
Straight ahead and don't look back  
This train is on a one way track

Oh, oh, oh,  
Life is a precious thing  
Don't waste it all worrying

Time that's lost  
Can't be returned  
It's another long hared lesson learned

Teach your children not to hate  
Hope they learn before it's too late  
To get rid of the bad laws, and keep the good  
Save the oceans and the woods

When will we all understand  
That the future's in our hands

Once it's lost, it can't be returned  
It's another long hard lesson learned

I can see the writing on the wall  
Open up your eyes and heed the call

When you play with fire, you're bound to get burned  
Another long hard lesson learned
