

# One Of Those Old Things

John Anderson

I'm just callin' my folks from Mississippi  
Just to let 'em know that I'm still fine  
And mom and dad, while we were talkin'  
I just thought I'd let you know what's on my mind

My financial problems are still with me  
And the way that I live is nothing new  
So, mom and dad, please don't you worry  
It's just one of those old things we all go through

And yes, I've been lonely  
Oh and yes, I'm feelin' blue  
And yes, I've lost the one that I loved  
But it's just one of those old things we all go through

Just to hear your voice makes me feel better  
And I know you'll remember me in prayer  
Heaven knows I'm trying to forget her  
It's just another cross I'll have to bear

And yes, I've been lonely  
Oh and yes, I'm feelin' blue, so blue  
And yes, I've lost the one that I loved  
But it's just one of those old things we all go through  
It's just one of those old things we all go through
