

# Maryia

John Cafferty & the Beaver Brown Band

She walks on the beach  
Man she looks so fine  
Kisses sweeter than cherry wine  
She's got that devil-look in her eyes  
You best believe boy  
You' pay that price

But when she walks  
She walks with me  
Makes me so blind  
I don't wanna see the light  
I just wanna see her tonight

Maryia'won't you say you will  
Maryia'you give me such a chill  
Maryia'you know you're just like the wind  
You fill my sails and then  
You blow me away  
Hey'pretty Maryia

All the boys now we got a creed  
Ain't no women ever make you bleed  
Tell the boys now I'm tryin to stay cool  
This little girl she breaks all the rules

Her pretty lies make me feel sad  
But I still want her'and I  
Want her bad tonight  
'cause when she holds me tight

Maryia'won't you say you will  
Maryia'you give me such a chill  
Maryia'you know you're just like the wind  
You fill my sails and then  
You blow me away  
Hey'pretty Maryia  
She's a women  
She can make my blood run cold  
She's a women  
Give me shivers down to my soul  
Her heart of stone  
She can't control  
I just can't leave her alone

Hey little girl now the night's so long  
We could walk it right through the dawn  
I'm wearin' my heart out on my sleeve  
Hey little girl what you do to me

Her pretty lies make me feel sad  
But I still want her'and I  
Want her bad tonight  
Just want to hold you tight

Maryia'won't you say you will  
Maryia'you give me such a chill  
Maryia'you know you're just like the wind

You fill my sails and then  
You blow me away  
Hey'pretty Maryia

Maryia'won't you say you will  
Maryia'you give me such a chill  
Maryia'you know you're just like the wind  
You fill my sails and then  
You blow me away  
Hey'pretty Maryia
