

## A New Leaf

John Lee Hooker

The 19 and 62 baby, turn a brand new leaf  
19 and 62, was turn a brand new leaf  
All of '61, baby, I lived so bad  
Stay at home, live like a good guy should  
Stay at home, and live like a good guy should  
But treat you right, baby

Be in bed at 9 o'clock  
Ain't gonna drink no more  
Run around on you no more  
Ain't gonna drink no more, baby  
Or run around on you no more  
19 and 62, turn over a brand new leaf, yes yes
