

Queen Bee

John Lee Hooker

Queen bee, queen bee, queen bee
Queen bee, please come back to me
Queen bee, queen bee, queen bee, yes, queen bee
Queen bee, please come back to me

'Cause you got the best darn stinger
Any queen bee I ever seen

She stung me this mornin', yes, yes, yes
I been lookin' for all day long
She stung me this mornin'
I've been lookin' for my queen bee all day long

Got me to the place one time
Hate to see my queen bee leave home

Stinger long as my right arm
Stinger long as my right arm
Every time she stings me, stings me
Lord, it makes my blood run warm
