

Weeping Willow Boogie

John Lee Hooker

Well, my baby she long and she tall and she weep like a
willow tree

Well, my baby long and she's tall and she weep like a
willow tree

Ev'ry time she love me, she make my love come down

I seen my baby this mornin', she was weepin' to herself
I seen my baby this mornin', she was weepin' to herself
She says, "John Lee, I need lovin' and I just can't help
myself, yes, baby"

Uh, huh?

Hey, yes love me, love me, love me, daddy, love me all
night long

Yeah, love me, love me, daddy and love me all night long
'cause your baby, she need lovin', lovin' with a thrill
