

# Conversations in the Dark

John Legend

Talk  
Let's have conversations in the dark  
World is sleeping, I'm awake with you  
With you  
Watch  
Movies that we've both already seen  
I ain't even looking at the screen, it's true  
I got my eyes on you

And you say that you're not worth it  
You get hung up on your flaws  
Well, in my eyes you are perfect  
As you are

I will never try to change you, change you  
I will always want the same you, same you  
Swear on everything I pray to  
That I won't break your heart  
I'll be there when you get lonely, lonely  
Keep the secrets that you told me, told me  
And your love is all you owe me  
And I won't break your heart

On  
Sunday mornings we sleep until noon  
Well, I can sleep forever next to you  
Next to you  
And we  
We got places we both gotta be  
But there ain't nothing I would rather do  
Then blow off all my plans for you

And you say that you're not worth it

And get hung up on your flaws  
But in my eyes you are perfect  
As you are  
As you are

I will never try to change you, change you  
I will always want the same you, same you  
Swear on everything I pray to  
That I won't break your heart  
I'll be there when you get lonely, lonely  
Keep the secrets that you told me, told me  
And your love is all you owe me  
And I won't break your heart

When no one seems to notice  
And your days, they seem so hard  
My darling, you should know this  
My love is everywhere you are

I will never try to change you, change you  
I will always want the same you, same you  
Swear on everything I pray to  
That I won't break your heart

I'll be there when you get lonely, lonely  
Keep the secrets that you told me, told me  
And your love is all you owe me  
And I won't break your heart

I won't break your heart
